Moon Festival Authentic Mid-Autumn Harvest Feast at Xiaolumian □□

Every year people the world over mark harvest time. In Beigou we are close to nature and, along with our village neighbors, we celebrate the Moon Festival with a feast at Xiaolumian. Red lanterns, moon viewing, crisp fall evening, honest food, live folk music. One year it rained and we all crowded into our little peasant's hut and somehow the food and company were even better. Share a traditional Chinese holiday with your family and friends — an adventure they're sure to remember.
